

AOD

Round ceiling diffuser with damper

AOD circular air distributors are designed for low and medium pressure for supply and exhaust ventilation systems. Diffusers are lightweight and easy to install. They can be supplied with connection branches, which provide uniform air traffic.

Standard color RAL9016.

Made of aluminum with flow control damper.

Accessories: connection branch DPA.

Model	Dimensions, mm			Air flow m³/h/Pa	Sound level, dB(A)	AOD	
	A	D	H			Code	Weight, kg
