

APF, APFN

Flat collar

APF-B×L galvanized steel.

APFN-B×L stainless steel.

For product toughness and connections flanges are used.

when $L \leq 1500$ mm	$F = 20$ mm
when $1500 \text{ mm} < L \leq 2000$ mm	$F = 30$ mm
when $L > 2000$ mm	$F = 40$ mm

B – width, mm (100-2000).

L – length, mm (100-2000).
