

LOA

By-pass

LOA by-pass are made from galvanized sheet metal. One by-pass can be used to avoid obstacle or two by-pass to save space while two 75 mm flexible ducts must intersect.

Model	Dimensions, mm					Code
	d	A	B	L1	L2	
LOA-75	75	100	90	500	300	709000068
