

## PAT

### Plastic branch

The branch is used to connect the flexible duct to the box.  
The junction boxes LOD, LOG, LOK are versatile as they are available screw in both PAT-75 and PAT-90 branches.

Model	Dimensions, mm			Code
	D	D1	L	
PAT-75	80	75	111	701200010
PAT-90	80	90	95	709300026
